Teaching basic number skills to children with Down syndrome and other learning difficulties using the Numicon approach

Wednesday 11th January 2023 9.30 to 12.30pm

Basic number skills are vital to enable everyday social inclusion and independence. The training will commence with an overview of the learning profile of a child with Down syndrome; exploring working memory and how this impacts on learning numbers. It will detail how children learn basic number skills – recognising numbers, saying number names, counting to find 'how many?' and early hands on addition. It will explore the challenges faced by children who have Down syndrome and other learning disabilities and demonstrate how the use of Numicon as a visual representation of number can help to overcome these difficulties and lead to increased understanding and confidence.

COST: £60 per professional (£15 for second person from same school)/£15 per family member.

Digital download or memory stick of resources available £10.00

- *It is going to be invaluable for me and my setting to support our children and develop them to their maximum potential.*
- *Very thought provoking - good examples shown to understand the difficulty maths presents to children.*
- *Despite not having used Numicon before I found it easy to follow and flexible. It was very helpful.*

RESOURCES AVAILABLE TO ORDER OR DOWNLOAD FROM OUR WEBSITE

EARLY READING BOOKS LINKED TO RLI PROGRAMME

Two sets of 10 books are available to buy in print or download. The books have large clear print and images on a clear white background. Each page has a repetitive sentence as the vocabulary builds and is revisited throughout the set. The first set of 10 books is written at level 1 of the Hatcher Grading scheme and the second set at level 2.

Cost: hard copy, £20 plus postage for each set of 10 books.

Electronic copy, £10 for each set.

The books are simply excellent - perfect for my child in school.

Introduction to Down syndrome FREE

Wednesday 18th January & 3rd May 2023, 9.30 to 12:00pm

This session will introduce Down syndrome to people who have little experience of working with children and young people who have Down syndrome. It will cover society's view of Down syndrome, health implications, inclusion, the specific learning profile of people with Down syndrome and strengths and weaknesses in the classroom; outlining ways to ensure your teaching meets their learning needs. Promoting positive behaviour and managing behaviours will also be discussed. Vital training for all involved in the education, inclusion and development of a person with Down syndrome.

COST: FREE

Three week 'toilet training for all ages' Workshop (online)

Friday 27th Jan, 3rd Feb, 10th Feb 2023, 10am to 12pm

Friday 30th June, 7th & 14th July 2023, 10am to 12pm

Do you need help toilet training your child?

Whether it be a young child just starting or an older child who still needs to develop skills towards independent toileting you are welcome to join us.

Sessions will run over three weeks and cover how the bladder develops, skills needed to use the toilet, tips on toilet training, constipation, day and night time wetting and set targets for each child. There will also be opportunities to support each other, share ideas and resources and monitor progress.

The course is 2 hours a week for 3 weeks and limited to 7 families.

COST: FREE to family members, otherwise £30

- Activities gave a true understanding of how difficult it is for a child with Down syndrome
- Benefitted from hearing other parent's experiences, some really useful tips.
- Lots of ideas and given me confidence as very daunted and didn't know who to ask.

Let's make it visual — using visual resources to develop the language, communication and literacy skills of children with Down syndrome

Wednesday 1st February 2023, 9.30 to 12.30pm

The morning will cover why the written word is used as a visual tool to develop language skills. Methods to develop clarity of speech, grammar, vocabulary, and lengthen sentence utterance will be discussed and illustrated.

It will also detail visual timetables, conversation diaries and ideas to develop reading, writing and spelling skills.

COST: £60 per professional (£15 for second person from same school)/£15 per family member.

Digital download or memory stick of resources available £10

- Very useful to be given lots of ideas on a range of resources
- I liked the real examples of school work and the video clips

Signing and children with Down syndrome

8th & 22nd February 2023, 9.30 to 11.30am

Session 1 will cover why we use signing with children with Down syndrome and the signs for manners, animals, food, family and other people, and the alphabet.

Session 2 will cover signs for the home, school day, colours, descriptions, time/days, questions and connective/link words. Followed by a discussion on how behaviour can be addressed through introducing signing.

Both sessions will include practice of useful phrases and familiar children's songs. A book "Signing and Down syndrome", covering the signs in this course is available for £7.

COST: £80 per professional (£20 for second person from same school) /£20 per family member.

- A very useful course. Was good to be able to practice the signs straight away.
- Impressed with how much I have learnt over the two sessions.
- Really interactive and enjoyable.

Teaching number skills beyond 10, time & money

Friday 16th June 2023 ,9.30 to 3.00pm

In the morning we will look in detail at tackling number skills beyond 10:

- ◆ Rote counting in 10s, 5s, 2s, teens and counting through decades up to 100
- ◆ Recognising 2 and 3 digit numbers, place value and order
- ◆ Counting to find how many - beyond 10
- ◆ Adding up and taking away - methods to succeed
- ◆ Fractions, multiplication, division and using calculators

After lunch we will tackle time and money

Time: This workshop will equip participants with a structured programme of activities and resources, developed and written by Wendy Uttley, to help them teach the passage of time and then how, step by step, to teach a child how to tell the time.

Money: We will detail a programme written by Wendy Uttley which consists of 120 finely graded activities to help teach a person with Down syndrome or other learning disability to understand and use money. From the early stages of learning the names for the coins to working with pounds and pence this programme is suitable to use with a child from approximately 5 years of age.

COST: £80 per professional (£20 for a second person from the same school) /£15 per family member.

Digital download or memory stick of each programme/resources available for £10.00 each.

Reading, Language Intervention for children with Down syndrome

Monday 24th April & 12th May This training course is over 2 half days, 9.30am to 12.30pm.

The RLI programme detailed in a teacher's handbook and DVD developed and produced by Down Syndrome Education International, provides a systematic structured approach via daily activities that can be finely adapted to each child. The training days will cover the theory behind the programme, how to assess a child to find a starting point, how to monitor and record progress and how to deliver the daily intervention with examples from, and reference to, the teacher's handbook and DVD.

The RLI programme comprises of two strands of intervention; a reading strand and a language strand. The aim of the RLI programme is to:

- Improve spoken language and literacy skills of children with Down syndrome.
- Improve teaching practice and support educators.

We have for a long time known reading is a strength for children with Down syndrome but not all educators are aware of this or how to ensure the children reach their full reading potential.

- **COST:** £120 per professional (£40 for second person from same school)/£30 per family member for both days inclusive.
- *Excellent. I have already put some things into practice and can see it will make a huge difference to lots of our students*

Six week behaviour course for parents and carers of children with Down syndrome (support staff welcome please ask)

Postponed. Please contact the Office to express interest.

PLACES LIMITED TO 7 FAMILIES

The course will cover an overview of the learning profile of a child with Down syndrome looking at how difficult behaviours may develop. Parents will then be encouraged to focus on a specific behaviour they wish to modify and we will discuss methods and ideas to modify the behaviour. Support staff working with the child are welcome to come along and be involved in the session in a bid to provide a consistent approach.

Each week opportunities will be offered to discuss progress and learn from each other. Please note that this course is primarily for parents.

FREE to family members, otherwise cost £30

Down syndrome & autistic spectrum condition Workshop

Wednesday 17th May, 9.30am to 2.30pm

The workshop will enable participants to share their understanding of how children with a dual diagnosis of Down syndrome and autistic spectrum condition develop speech, language and communication. Using several case studies we will discuss what we know, what we don't know and what we would like to know!

There will also be an opportunity to discuss and share ideas on how we manage communication, sensory issues, diet, feeding and unwanted behaviours.

COST: £40 per professional (£10 for second member of staff from same school)/£20 per parent, **FREE** for family members.

Refreshments provided but please bring your own lunch.

- An excellent day. I really enjoyed it and gained lots of ideas.
- Loved the small group work.
- Today highlighted to me the overlap of difficulties/symptoms seen in DS & ASC
- Today will make me look at children I am currently working with and think about how they present

Transition Evening for parents and carers of children with Down syndrome

Monday 22nd May 2023, 7pm to 9pm

This workshop will be aimed at parents of young people with Down syndrome due to transition from primary to secondary school or secondary school onto adulthood.

It will discuss the different options available for secondary provision and beyond, the pros and cons of each setting, planning the transition and detail the types of courses available for your child/young person.

Discussions on transport, direct payments, personal budgets and supported employment will be included.

Free to family members, otherwise £20.

- Very good for all people working with young people with learning difficulties
- I'm now much more confident to tackle the subject.
- Enjoyed meeting other people and being able to talk openly about issues and facts of life
- It's given me the confidence to talk about the changes my child will go through and most of all helped me to prepare and be aware of what is to come.
- Understand now the importance of starting this work in primary schools and practical ways of doing this.

**INSET TRAINING ALSO AVAILABLE
